

Parent Participation and Communication Guidelines:

1. Parent(s) may join the meeting(s) only if they are together with their child. You will need you to sign-in on the Chat. Your camera must remain "on video mode. "
2. Please sit and enjoy our lesson. Please do not interrupt lessons by speaking to other students.
3. Parents as our guest, if you would like to talk please set up a meeting at another time. Zooming with students is not the best time to answer questions.
4. Please make sure you are dressed properly.
5. As the teacher, I will help support learning endeavors.
6. Parents can message me on Class Dojo at any time. Please be patient. I will respond between Zoom classes or daily between 2:30-3:30.
7. Your question/concerns are important.
8. Thank you so much for supporting your child and our classmates.

Our focus is on Growth. You will learn. We will celebrate your success!
